This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. REPORT

OF THE

SECRETARY OF THE TREASURY,

TRANSMITTING A

REPORT FROM THE REGISTER OF THE TREASURY

ON THE

COMMERCE AND NAVIGATION

OF THE

UNITED STATES

FOR THE

YEAR ENDING JUNE 30, 1864.

PUBLISHED UNDER ACT OF CONGRESS OF SEPTEMBER 16, 1850.

WASHINGTON:
GOVERNMENT PRINTING OFFICE.
1865.

AN ACT to provide for the printing of the Annual Report upon Commerce and Navigation.

SEC. 1. *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That it shall be the duty of the Secretary of the Treasury to cause the annual report upon commerce and navigation to be completed at as early a day before the first Monday in January, in each year, as is practicable.

SEC. 2. *And be it further enacted*, That when completed, or in the course of its progress towards completion, if that will give despatch to the business, the work of printing, under the superintendence of said Secretary, shall be commenced, and the whole shall be printed and ready for delivery on or before the first day of January next ensuing the close of the fiscal year to which the report relates.

SEC. 3. *And be it further enacted*, That, until Congress shall otherwise direct, the Secretary of the Treasury shall cause to be printed, in the same manner as other printing of the department, twenty thousand copies of said report, which shall be distributed as follows: First, the usual number for the use of the members of the two houses, and their officers; secondly, five hundred copies for the use of the Treasury Department; and thirdly, as nearly as may be, five thousand copies to the Senate, and thirteen thousand copies to the House, to be distributed by the members of each house.

SEC. 4. *And be it further enacted*, That the report aforesaid, except such as are to be bound with other public documents, shall be substantially bound: *Provided*, That the expense thereof shall not exceed twelve and a half cents for each copy.

Approved September 16, 1850.

NOTE.—The arrangement of Ports in this statement is such that the summary first constructed embraces the imports from the Provinces of the Atlantic coast, New Brunswick, Nova Scotia, Prince Edward's Island, and Newfoundland, while the second summary embraces the trade with Canada alone. The table as it stands thus distinguishes the entire commerce made free by the treaty in two parts, with a line of general aggregates following.

nces, free of duty, under the provisions of the reciprocity treaty with Great fiscal year ending June 30, 1864.
